TYRE SOLUTION PARTNERS

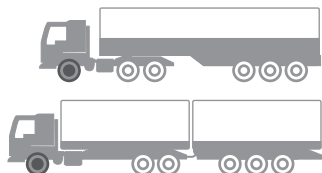

The UK range of Yokohama premium commercial vehicle tyres

RY637 premium steer tyre

Steer-axle tyre engineered with advanced YOKOHAMA technologies for long-haul operation

- The SC-RIB and SC-SIPE reduce the contact pressure concentration on rib edges to increase resistance to river-wear
- The SC-GROOVE delivers increased shoulder stepdown wear resistance and enhances handling stability with reduced contact pressure on the tread shoulder
- The new contoured bead sole improves bead seating for handling stability and even wear

Sizes available	Load index
295/80-R22.5	152/148M
315/70-R22.5	154/150L
315/80-R22.5	156/150L

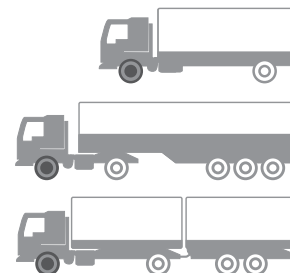

RY023 premium steer tyre

Steer-axle tyre for regional operation

- Wide 5-rib design delivers long mileage and shoulder wear resistance on steer axle use
- Deep sub-grooves on ribs enhance wet traction

Sizes available	Load index	Sizes available	Load index
11-R22.5	148/145M	285/70-R19.5	145/143M
12-R22.5	152/148M	295/80-R22.5	152/148M
205/75-R17.5	122/120M	315/80-R22.5	154/150M
215/75-R17.5	126/124M		
245/70-R19.5	136/134M		
265/70-R19.5	140/138M		

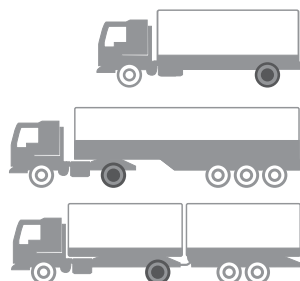

TY607 premium drive tyre

Drive-axle tyre engineered with the help of YOKOHAMA's advanced technologies for regional and long distance operation

- Extra deep design with wide tread provides long tread life for regional service
- Aggressive block tread with lateral lug grooves delivers maximized wet traction
- Alternated block placement with short blocks enhances even wear

Sizes available	Load index
295/80-R22.5	152/148M
315/70-R22.5	154/150L
315/80-R22.5	156/150L

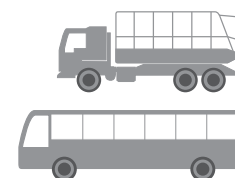

RY537 premium all-position tyre

All position tyre for waste management and city bus sectors

- Extra deep tread with 4-rib design for long mileage and low cost per kilometre on severely abrasive roads
- Special sidewall protection minimizes tyre damage and abrasion from the curb

Sizes available	Load index
295/80-R22.5	152/148M

RY253 premium trailer tyre

Wide base long haul/regional use tyre engineered primarily for trailer axles

- 6-rib tread design enhances even wear and wet traction
- Specially constructed casing makes this tyre well-suited to retreading
- The RY253 can also be used on the steer-axle to attain a better handling performance and higher shoulder wear resistance

Sizes available	Load index
385/65-R22.5	158L/160J

RY023T premium trailer tyre

Trailer tyre for regional operation

- Wide 5-rib design delivers long mileage and shoulder wear resistance on steer axle use
- Deep sub-grooves on ribs enhance wet traction

Sizes available	Load index
245/70-R19.5	140/138J
265/70-R19.5	143/141J
285/70-R19.5	148/145J
