

Tread Checker

(Non-Calibrated for Visual Guidance Only)

Plenty of tread remaining.
You are good to go!

Keep Monitoring!

Tread near legal limit!
Replace tyre or seek further guidance.

<p>Legal Tread Limit GVW > 3.5T 1mm GVW < 3.5T 1.6mm</p>	<p>Cuts E.g. 315/70R22.5 = 315 x 10% = 31.5mm Or just insert a decimal point before the last digit!</p>
